

**The Johns Hopkins University School of Medicine  
Residency Program in General Internal Medicine  
and General Pediatrics at Baltimore City Hospital**

September 9, 1982

TO WHOM IT MAY CONCERN:

This is to certify that Adam Zinger worked with me in my practice as observer and participant in primary care pediatrics from July 1 to August 10, 1982.

He performed very well.

Sincerely yours,

*Archie S. Golden*  
Archie S. Golden, M.D.
